

An Invitation to Join A Sacred Pilgrimage to the Holy Land April 5-14, 2013, with Dr. Joy Carol

Dear Friends,

Over the past years I have hosted a number of Women's Pilgrimages to the Holy Land. All of us who went on those journeys were deeply moved by the amazing experiences we had. People have asked us to repeat the Pilgrimage and to expand it to include both men and women, thus this Pilgrimage was born.

The Rev. Cari Jackson of Connecticut wrote: "The Pilgrimage with Joy provided me just what I needed: a unique blend of meditation at sacred sites, background stories that brought the Scriptures to life, dialogue and prayer with people of all faiths. Then this powerful week was capped off with a much needed Sabbath rest at a spa!" Victoria Smith of Hawaii wrote: "This was a most wonderful Pilgrimage to the Holy Land. I feel so fortunate to have been part of it. Joy and Julie truly made this journey everything I dreamed it would be. They made Israel and the Bible come alive."

So with the superb help of MTS TRAVEL, we are creating another unique experience for women and men to go on a sacred Pilgrimage and a restorative journey to the Holy Land. **I am pleased to invite you to join me in 2013 on this special Pilgrimage.** As Crystal Reed of Pennsylvania said, "This trip was truly a once in a lifetime experience. I would recommend the Pilgrimage to everyone."

2013 Pilgrimage Highlights

- Visit the sites you've dreamed of: the old city of Jerusalem, Garden of Gethsemane, Via Dolorosa, Church of the Sepulchre, Western Wall, and the Mount of Beatitudes
- Go on a real archaeological dig, find pottery 2,000 years old in scenic Beit Guvrin Park
- Have a meaningful wilderness experience in the Judean desert
- Shop in the ancient Jerusalem shuk and enjoy the unique foods of the Holy Land
- Float or swim in the Dead Sea
- Participate in a meaningful volunteer project
- Plant a tree in the Holy Land
- Ponder your journey on the Sea of Galilee, in the replica of a boat from Jesus' time
- Restore your body and soul at an organic farm spa near the Sea of Galilee

- Enjoy fellowship with fellow pilgrims and make new friends

We've designed the Pilgrimage to provide you an opportunity to visit significant sites in the Holy Land while having a peaceful, restorative experience. Unlike most Holy Land itineraries, this pilgrimage combines top sites, spiritual experiences, ease of travel, and reasonable cost. I hope you will consider joining me in 2013. I would love to have you experience this **Pilgrimage of a Lifetime.**
