## A Biblical Journey

May 29–June 12, 2012  
(2 weeks)

Hosted by *DTBL!* Founder, Kay Money

Jeremiah 6:16 – Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls.

***The Land itself is God's visual tool to understanding the Scriptures within the context in which they were written!***

Come with us as we walk the ancient paths of the Promised Land. As the panoramic ancient and biblical history unfolds before our eyes, Scripture comes to life with every step!

The Land's geography sets the foundation for its history, Middle Eastern customs and culture. (The frame-of-reference for the Scriptures.)

Traveling up the Mediterranean Coast and on into the Galilee, we explore the northern region and the Sea of Galilee, walking in the footsteps of Jesus.

We continue down through the Rift Valley to the Dead Sea. Here, in the Wilderness, we sense His presence in a new way—He is there—even in the quiet, desolate places!

Jerusalem calls to us with her ancient grandeur and vibrant present. It was the place of sacrifice, wars, and conquests. It is also here that prophesy is fulfilled and history ends.

DTBL! Tours are like no other in preparation and scope. Pre-tour teaching presentations and classes (with the DTBL! Study Manual), equip each pilgrim for a richer experience in the Land, while also building future tools for study in the Word.

Safety is always the first priority. There will be no visits to unauthorized areas—nor will you be placed in any compromised situations. *Discover The Bible Lands!* Tours limit group size for personal care! It is imperative to register ASAP.

After your journey to the Land everything will simply look different—going from black and white to three-dimensional living color. Your spiritual life will take on new depth of understanding!

This small sliver of land, with its regions of deserts, wilderness, plains, mountains, and valleys is the “pupil of God's eye.” Come...see for yourself! You will find yourself calling it HOME.

## Kay Money & Discover The Bible Lands! HOW IT ALL BEGAN...

My first visits to Israel, in the 1970s, changed my life forever! Having read the Bible many times through, I found a whole new frame-of-reference. But because those early tours were the typical touristy tours many questions remained, including, "Why that Land?" In the early 1990s I co-hosted a short one-of-a-kind scholar-guided tour. This tour specialized in strong scholarship which also focused on that very question!

The Trigger Quote: "Why that Land?" No one had ever had a good answer. Then on the first day, the scholar guide said, "History does not repeat itself without explaining itself, and the explanation is usually geographical." (George Adam Smith) I finally had a foundation with which to work—but there was something else missing in that statement—it was the "culture" aspect. Suddenly, I saw a triangle with geography as the foundation on which the culture developed with the ensuing history at the top level. True, there are other influences, invading cultures etc., but that was the basic model! The geography was foundational! Finally, I had found solid answers to many of my nearly life-long questions!

The incredible scholarship further confirmed in my mind that individual study, word studies and exegesis were all necessary study tools for proper biblical understanding and application but those tools often lacked those three keys within the frame-of-reference of the Land itself!

As we walked that Land, it was evident that people were not absorbing the experience to its fullest—they simply were not prepared for the journey. I remember voicing my lament to Dr. Russel Jones, as we walked down the Mount of Olives. His comment was "Kay, you have to do it...you have to get a group and do that [bridge the gap]." Scoffing at the notion and giving every conceivable reason why I couldn't do such a thing, I knew by the time we reached the Garden of Gethsemane that God had called me to do just that.

*Discover The Bible Lands!* was founded for that purpose! To prepare the seeker before the tour...to greatly enhance their discovery of the puzzle pieces that form the BIG PICTURE, thus, changing lives...and then growing numbers to minister within the proper frame-of-reference!

**Is that the Great Shepherd's voice I hear calling YOU?**

## Dr. Stephen Langfur

### Scholar Guide

Stephen Langfur was born in Far Rockaway, New York and is married with two adult children. He currently makes his home in Israel and works for NETours as a writer, map-maker and guide. Stephen holds a Ph.D. in Religion and Culture from Syracuse University. He has written several articles and study guides. He speaks English, Hebrew and German—and is fluent in all three.

In his guiding, Stephen Langfur brings the Bible into connection with the lay of the land, including history, archaeology and philosophy. The result is a multi-dimensional experience, but it differs each time, according to the dialogue with the group. He is the creator of the NET website and the film *Land and Word*. He has also appeared on TV on the National Geographic and History channels. His colleagues say that he "walks like a camel," but his tourists claim that he "sings like a mouse."

#### Geography/Topography – The Foundation

- Why is it essential to understand the Geography/Topography with its Tels, Wadis, and even soil composition, for clearer interpretation and application of the Scriptures?
- How does this knowledge give one a solid frame-of-reference for all Jewish and Middle Eastern societies, various cultures, politics, religions, and daily life—even for today?

#### Culture – Jesus Was Jewish

- Why is it imperative to recognize the difference between ancient Hebrew Thinking and Greek Thinking?
- What are the Jewish Feasts and why should one more fully comprehend their significance?
- What is COVENANT? What do the Ancient Jewish Betrothal and Ancient Jewish Wedding have to do with salvation? How are they illustrations for prophetic interpretations—and even answering the eternal security question?
- Why is it vital to identify the pagan religious system and their “gods” at the time the Children of Israel entered into the Promised Land and continuing through the 1st Century (Jesus’ time)?
- Why is it important to clearly differentiate between the political & religious groups to whom Jesus spoke?

#### History – The End Result

- Since we have Biblical history, why do we need to know the Ancient Hebraic and Middle Eastern History?
- What is the Christian fear factor for the Jewish and Arab people today?

#### Hebraic Roots – In The Christian Faith

- What do the Old Testament animal sacrifices have to do with the Christian faith?
- Why did Jesus (Yeshua) have to die for sin? Was it a random act or a continuation of a previous pattern?
- Do today’s events in the Middle East have any connection to the past?

#### Sites of Israel – Ancient Voices Remain

- Why is it wise to have a visual and feet-in-the-Land experience?
- Why is it important to visualize the regions of the Land when studying the Scriptures?
- Why would I need to understand Jerusalem with its ancient and present Quarters and Temple Mount?

#### The Olive Tree – God’s Metaphor

- How could the olive tree be so significant?
